Sweden

Self-declaration

Sustainable forestry is a must !!

Barrus AS hereby confirms that all finger jointed and / or laminated timber delivered to Leiab Fönster AB is produced exclusively from certified and/or sustainable forestry.

As responsible and environmental focused supplier, Barrus AS is certified according to both PEFC (License SA-PEFC / COC-007300) and FSC (License FSC-C081649). All products delivered to Leiab Fönster AB will therefore be subject to rules and regulation applying to one of these certificates.

The mark of
responsible forestry

Furthermore, We confirm that all timber products from Barrus AS, are manufactured and delivered in accordance with all rules and laws related with the EU Timber Regulation (EUTR)
